**AIAI is Proud to Sponsor the InfraAmerica P3**  
*AIAI to host a P3 Breakfast Roundtable*

New York, NY, April 2013 – The AIAI - the Association for the Improvement of American infrastructure is pleased to be a sponsor of the Infra Americas US P3 Forum, from June 18th through 19th.

The P3 Breakfast Roundtable will be held on June 19<sup>th</sup> at 7:00am and consists of the following program and guest speakers.

**Part I: The Opportunities, Challenges and Solutions for the P3 Marketplace**

Meet the Board of Directors of the AIAI and learn firsthand their experiences in the P3 Arena. The panel will be moderated by Sherry Little, Partner and Co-Founder of Spartan Solutions, LLC to facilitate a discussion about the successes and challenges some of the industry's largest organizations have experienced when bidding and winning alternative delivery projects. This panel will include; **William A. Marino** Star America, **Salvatore Mancini**, Star America, **Richard Fierce**, Fluor , **John McArthur**, Kiewit, **Mike McNally**, Skanska, **Juan Santamaria**, ACS, and **Nicolas Rubio**, Cintra US.

**Part II: The Silent P in Public-Private Partnerships (P3): Political Buy-In**

This panel will explore the political ramifications of developing, structuring and delivering an infrastructure project utilizing P3. The Silent P embraces a host of issues including understanding the owner's financial situation, its willingness to accept new models of project delivery, organized labor's possible involvement in the project and the citizens' willingness to embrace a user pay method. This timely program moderated by Frank Rapoport of Peckar & Abramson, P.C. is a first in a series of Roundtables organized by the P3 Industry's new advocacy organization, The Association for the Improvement of American Infrastructure (AIAI). Our faculty includes these leaders of the P3 movement; **Michael Likosky**, The Century Foundation, (P3 Expert to Clinton Global Initiative, Governors & Mayors) , **Roy Kienitz**, (Former Under Secretary for the U.S. Department of Transportation, Former Deputy Chief of Staff to Gov. Ed Rendell of PA), **Stephen Goldsmith** Professor at Harvard University (Former Mayor of Indianapolis and Deputy Mayor of NYC,

For more information on the organization, its initiatives and upcoming events, please email John Parkinson at [readytowork@aiai-infra.org](mailto:readytowork@aiai-infra.org).

--END--

**About the Association for the Improvement of American Infrastructure**

The Association for the Improvement of American Infrastructure (AIAI) is a non-profit organization formed in the District of Columbia to help shape the direction of the national Public Private Partnership marketplace. AIAI will serve as a national proponent to facilitate education and legislation through targeted advocacy.

AIAI's Board is comprised of leaders of the construction and development industry. Their extensive national and international experience and industry knowledge provides AIAI with a clear direction for developing and advocating policy and legislative solutions, allowing more equitable and effective partnerships across diverse market sectors from transportation and energy to educational, health and public service institutions.
