

Virginia Leadership

Monday, January 29th, 2018

AGENDA

- Introduce AIAI – some of whom you may already know – and say ‘thank you’ for being a leader in P3
- Offer some policy recommendations, in support of what Virginia is already doing, and in response to the national infrastructure dialogue
- Listen to your concerns and offer AIAI as a resource

Together, We Move P3s Forward

Association for the Improvement
of American Infrastructure
