

AIAI OFFERS P3 EDUCATION TO PUBLIC OFFICIALS

AIAI's mission is to create an environment where public and private entities work together to promote growth and sustainability of America's infrastructure, fostering innovative solutions in the forms of policy, product and delivery.

COMPLIMENTARY EDUCATION AND SERVICES:

P3 WORKSHOPS

We invite the public to participate in intensive group discussions and activities on a particular subject.

P3 WEBINARS

We host live meetings that take place over the web. The format can be a presentation, discussion, demonstration, or instructional session.

P3 ONE-ON-ONES

We provide opportunities for face-to-face meetings with subject matter experts within the P3 landscape.

P3 ROUNDTABLES

We organize small discussion groups focusing on specific P3 topics.

P3DIRECT

We create a direct connection between experienced P3 industry professionals (our members) and public sector representatives across agencies at every level in order to demystify the entire P3 process.
